

Fly Today...Remember Forever

### Why Paradise Helicopters?

- **Most Air Adventure Options** – You can choose from a wide variety including our exclusive landings at significant Hawaiian landmarks. You have your choice of island discovering journeys that pass over all 5 volcanoes and combination excursions that have you hiking, swimming, barbequing, zip lining, exploring a self sustaining eco-farm and more!
- **2 way communication** – You can talk with your pilot and fellow guests throughout the entire flight. Get all your questions answered.
- **Personalized Tours** – With our knowledgeable pilots, No two tours are the same!
- **Japanese Language Tours** – Japanese speaking pilot on staff. Other language translations available by request.
- **Custom Tours** – If you can dream it, We can do it! Let us make your vacation/special event a memory that will last a lifetime. We've already done hunting, bungee jumping and a flight over a marriage proposal written in a field. (she said yes!)
- **Choice of Professionals** – Paradise Helicopters is the choice for Law Enforcement, Film Crews (SAG pilot on staff), Construction Companies, Government Agencies, Fire and Rescue Organizations and so many more.

### Airports

#### Kona

- **Longer Flights**- If you want to see the most of the island, Kona is the airport for you.
- **Proximity** – Kona Airport is approx . 15 minutes from downtown Kona/ 20 minutes from Waikoloa .
- **Air Adventure Options** – Our base at Kona airport is the departure point for the majority of our tours. Most of our landing adventures (zip line, hiking, waterfall swim) originate there. Some events can last up to 8 hrs.

#### Hilo

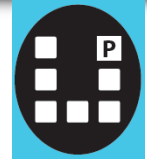

- **Shorter Flights** – Whether you are staying on the east side of the island or visiting for the day, convenient tours that are less than 1 hour in duration are available throughout the day.
- **Budget Flights**- Paradise Helicopters at Hilo Airport offers our lowest cost tours.
- **Doors Off Tours** – Hilo is where our Hughes 500 Helicopters are available for the Extreme Doors Off Experience.

### Why Helicopter?

- **Large Windows** – See more and get better pictures.
- **Maneuverability** – Discover places that can **ONLY** be seen from a helicopter.
- **Landing Capability** – Take unique adventures to remote areas.
- **Close to the action** – Helicopters can fly as low as 500 feet – Twice as low as other types of aircraft.

### The Helicopters

#### 6 Passenger Bell 407
